

Launch a firefighting career or hone your firefighting skills!

Starting salaries for career firefighters average \$38,000 - \$45,000 per year. Most state and local government firefighters work 10-12 days per month and earn excellent benefits.

Jump start your career in MCC's Fire Academy...

Be certified in 7 months...

MCC's annual fire academy will last 7 months and conclude with graduation on December 12, 2024. Classes meet 6 - 10 p.m., M,T, Th and two Saturdays/month.

Training includes...

NC Firefighter Certification
RIC Certification
Emergency Vehicle Driving (EVD) Cert.

Connect with a fire department...

Tuition is waived for students sponsored by a Fire Department.

Martin Community College Fire Academy

A program designed to prepare future fire and rescue workers for NC Firefighter Certification while simultaneously earning transferrable credits toward a degree in public safety!

To register or for more information, contact MCC's Fire Training Coordinator, Larry Johnson, at rj98923@martincc.edu or (252) 789-0205

Learn from the best at Martin Community College

Second class of MCC's Fire Academy 2021

Build on your Fire Academy training!

Earn your NC Firefighter Certification and an AS degree at MCC, then transfer your credits to a Public Safety degree program!

Add MCC EMS (Emergency Medical Service) training to your credentials!

Most career Fire Departments require credentials in EMS procedures. After completing the Fire Academy, you can immediately begin EMS training.

Martin Community College is committed to an environment that embraces diversity, respects the rights of all individuals, is open and accessible, and is free of harassment and discrimination.
