

EMT

Emergency Medical Technician

**Classes
start 1/8/18
end on 5/9/18**

***Mondays and Wednesdays, from 6 to 10 pm,
on the Williamston campus.***

MCC's EMT (Emergency Medical Technician) class is a 226 hours course of study that covers the following topics; Preparatory, Airway Emergencies, Patient Assessment, Medical/Behavioral Emergencies, CPR, Pharmacology, Trauma, and OB/Infants/Children Emergencies. Skills stations in Patient Assessment, Airway Management and Trauma will also be taught.

Those interested in applying for the EMT training at MCC must complete a packet of information and forms no later than January 2. Packets may be obtained in person from Steven Anderson or online at <https://www.martincc.edu/ems>. For more information about MCC's EMT program, contact Anderson at 252-789-0266 or via email at steven.anderson@martincc.edu.
